**Notes:**

1. This agreement will be honored for four years starting from and including the student's start year at Elgin in 2007-2008 or 2008-2009.
2. The following requirements at DePaul are met by transferable courses in the AAS degree: ANI 101, ART 359 and 373, COM 220, Eng 103 and 104, GPH 211 and 255, HCI 201, IM 315, and IAI Approved General Education Courses.
3. Elgin students would not have any major electives required in their program at DePaul because they are fulfilled with transfer courses from Elgin.
4. The Bridge courses are listed in addition to the AAS degree. Elgin students should take 5 more GE courses and the first Java programming course, CIS 207, while at Elgin. However, if students wish to take these courses after they transfer to DePaul, they may do so, understanding that it will take more than 2 years to finish the degree program
5. Portfolio Review course does not transfer.
6. To find Elgin courses that apply to the following Liberal Studies domains check the Transfer Course Lists in the Transfer Center in the DePaul web site:
