APPLICATION DEADLINES AND ADDITIONAL REQUIREMENTS

DePaul strongly encourages students to file an application as early as possible during the priority filing period. DePaul admits students on a rolling, or continuous, basis. However, you are encouraged to apply early to allow adequate time for reviewing and processing your application. Applications postmarked during the priority filing period also may receive earlier access to orientation scheduling, advising, placement testing and financial aid consideration.

Supporting documents, such as transcripts requested from colleges attended, may take several weeks to arrive. Please allow plenty of time for schools to process your request. After the application deadline, DePaul will consider applications on a space-available basis until the first day of class.

Official transcripts from each college or university you have attended (including your present college through the most recent term) must arrive at the Office of Admission by the application deadline. If you are currently enrolled in a college, a final transcript will be required at the completion of your current term.

ADDITIONAL INFORMATION

There are limits to the amount of transfer coursework that can be applied to your degree. You may transfer a maximum of 66 semester (99 quarter) hours from two-year institutions and a maximum of 88 semester (132 quarter) hours from four-year institutions.

The Theatre School and the School of Music require auditions, interviews or portfolio reviews as part of the admission process. Admission to these schools is granted for the fall quarter only. Students must submit their application and schedule an audition or portfolio review/interview by December 1 (for the School of Music) or January 15 (for The Theatre School). For further information about these programs, contact The Theatre School at (773) 325-7999 (**theatreschool.depaul.edu**) or the School of Music at (773) 325-7444 (**music.depaul.edu**).
