The following DePaul University non-degree graduate programs/certificates are approved for financial aid by the U.S. Department of Education as of January 2014. To qualify for financial aid consideration, you must be accepted to one of the non-degree aid-eligible graduate programs listed below and be in good academic standing; you must complete a Free Application for Federal Student Aid (FAFSA) for the academic year in which you are enrolling; and you must meet all federal financial aid eligibility requirements. For more information on completing a FAFSA and the federal financial aid eligibility requirements, please contact the Office of Financial at DePaul Central, or visit Applying for Financial Aid at the DePaul Office of Financial Aid website.
