This application is for students, age 24 and older (or who will be age 24 at the time of enrollment), who intend to complete an undergraduate degree at DePaul University and meet the criteria below for adult undergraduate admission. DePaul admits adult undergraduate students each quarter to all university schools and colleges except The Theatre School and the School of Music (fall admission only). Please refer to the Application Deadlines and Additional Requirements section for details.

DePaul University encourages you to apply online at go.depaul.edu/apply. By applying online, you are assured timely counseling, placement and registration services. Applications received after the published deadlines will be considered on a space-available basis until the first day of class.

*** Non-degree students (students preparing for graduate school, taking courses for career advancement or personal interest, planning to transfer courses back to another four-year institution or enrolling in a certificate program) should consult go.depaul.edu/nondegree or call (312) 362-8300 for more information.
APPLICATION DEADLINES AND ADDITIONAL REQUIREMENTS

DePaul strongly encourages students to file an application as early as possible during the priority filing period. DePaul admits students on a rolling, or continuous, basis. However, you are encouraged to apply early to allow adequate time for reviewing and processing your application. Applications postmarked during the priority filing period also may receive earlier access to orientation scheduling, advising, placement testing and financial aid consideration.

Supporting documents, such as transcripts requested from colleges attended, may take several weeks to arrive. Please allow plenty of time for schools to process your request. After the application deadline, DePaul will consider applications on a space-available basis until the first day of class.

Official transcripts from each college or university you have attended (including your present college through the most recent term) must arrive at the Office of Admission by the application deadline. If you are currently enrolled in a college, a final transcript will be required at the completion of your current term.

ADDITIONAL INFORMATION

There are limits to the amount of transfer coursework that can be applied to your degree. You may transfer a maximum of 66 semester (99 quarter) hours from two-year institutions and a maximum of 88 semester (132 quarter) hours from four-year institutions.

The Theatre School and the School of Music require auditions, interviews or portfolio reviews as part of the admission process. Admission to these schools is granted for the fall quarter only. Students must submit their application and schedule an audition or portfolio review/interview by December 1 (for the School of Music) or February 1 (for The Theatre School). For further information about these programs, contact The Theatre School at (773) 325-7999 (theatreschool.depaul.edu) or the School of Music at (773) 325-7444 (music.depaul.edu).
