

### *Associate of Arts with a Focus in Writing Studies to the Bachelor of Arts in Writing and Rhetoric*

This program plan agreement is entered into by College of DuPage Writing Studies program faculty and DePaul University Writing, Rhetoric and Discourse (WRD) faculty for the purpose of providing guaranteed admission for select College of DuPage students. Specifically, College of DuPage students who successfully complete the Associate of Arts with a focus in Writing Studies are guaranteed admission into DePaul University, College of Liberal Arts & Social Sciences (LAS) Writing and Rhetoric degree program, provided that all current admissions standards, policies, and procedures of DePaul are met at the time of admission.

College of DuPage Writing Studies and DePaul University Writing, Rhetoric & Discourse faculty agree to the following:

College of DuPage and DePaul University faculty will collaborate and coordinate on course and program content to facilitate transfer and eliminate course duplication, in accordance with program and degree requirements of their respective schools.

College of DuPage Writing Studies program faculty agree to assist and advise College of DuPage students enrolled in the Associate of Arts with a focus in Writing Studies who desire to continue their studies toward the achievement of the Bachelor of Arts in Writing and Rhetoric at DePaul University's College of Liberal Arts & Social Sciences.

DePaul University WRD faculty agree to accept all course credit completed at College of DuPage in accordance with the mutually agreed upon program plan recommendations below. Up to 66 semester/99 quarter hours of College of DuPage credit will be applied to the DePaul degree.

College of DuPage Writing Studies and DePaul University WRD faculty agree to periodically, minimally one time per year, review the course recommendations and to update and maintain them in keeping with current curricular requirements.

The faculty will inform the other college's program when changes to course, program, and/or degree requirements are made.

College of DuPage students must join DePaul's Admission Partnership Program (DAPP) to participate in this program to receive the benefits of this agreement. Through DAPP, students will be counseled and advised by both schools as to the courses to complete which will fulfill both associate degree and bachelor degree requirements. The program plan must be followed for students to receive maximum transfer credit towards the bachelor degree. The recommended courses provide the academic preparation and prerequisite requirements for the DePaul's Bachelor of Arts degree in Writing and Rhetoric.

In order to retain current and dynamic curriculum course content, required courses and degree requirements are subject to frequent changes. DAPP provides means to keep the students with the most up to date information about program requirements at both College of DuPage and DePaul University. Students who do not join DAPP will still be able to transfer to DePaul's B.A. in WRD as regular DePaul transfer students. Students not participating in DAPP will be subject to changes in program requirements that take place at any point in their enrollment at College of DuPage.
