BSB Degree Requirements

- The Bachelor of Science in Business (BSB) requires minimum 192 degree applicable quarter hours.
- Liberal Studies Program (LSP), Learning Domains, Business Core (some vary by major), Major, Open Electives.
- Business Ethics-one course required which may also complete a Learning Domain Philosophical Inquiry (PI) or Religious Dimensions (RD).
- You are held to the degree requirements as of the term you are admitted to DePaul University. If you are a DAAP student your requirements are as of when you were admitted to the DAAP program.
- Grades of C– or higher required for ACC101, ACC102, ECO105, ECO106, MAT135, MAT136, MAT137, WRD103, WRD104, and Professional Writing.

Combined Degree Programs

BSB/MS-Accountancy: Audit and Advisory Services

BS or BA/MS-Economics and Policy Analysis

BS or BA/MS-Sustainable Management

BS or BA/MS-Human Resources

BS or BA/MS-Hospitality Leadership & Operational Performance

BS or BA/MS-Finance (MSF)

BSB/MS-Accountancy: Taxation

BS or BA/MS-Entrepreneurship

BS or BA/MS-Supply Chain Management

BS or BA/MS-Real Estate

BS or BA/MS Management

BS or BA/MS-Enterprise Risk Management

Benefits of Combined Degree Program?

- Shortens the total time to earn both degrees so you have the strongest credentials from the get-go – often with only one additional year of school.
- Estimated cost savings of 40% or more=assuming 12 hours completed at undergrad tuition rate.
- DePaul students automatically qualify for and are awarded the Double Demon Scholarship = 25% off graduate coursework.
- Begin your career with advanced credentials. Individuals with graduate degrees earn roughly 18% more on average than those with just an undergraduate degree. The unemployment rate is also lower for individuals with advanced degrees.

Program Recommendations

- Completion of MATH sequence as soon as possible. BSB program requires MAT135-Business Calculus I, MAT136 Business Calculus II, and MAT137-Business Statistics. Pending Transfer Credit and Math Placement Results remedial math maybe required and may add additional math courses to your degree.

Actuarial Science Majors are required to complete different math requirements (MAT150-Calculus I, MAT151-Calculus II, MAT152-Calculus III).

- In addition to math it is recommended to complete ACC101, ACC102, ECO105, ECO106 as soon as possible.
- Transfer Courses are evaluated on a course by course basis or if a student has met the established Illinois Articulation Initiative (IAI) minimum requirements. (Please see the attached document for more information: **Have You Completed IAI?**)
- Transfer Course Articulations can be found at: go.depaul.edu/transfercenter
