College of Communication Internship Program: Internships offer DePaul College of Communication students "real world" experience in their chosen field of study. Working directly with a variety of corporate, government, and not-for-profit organizations, the highly successful College of Communication Internship Program creates internship opportunities for eligible students in fields such as broadcast, print, and online media, radio, television, and film, public relations, advertising, and marketing agencies, philanthropic and historical non-profit organizations.

While participating in a College of Communication internship, students also take a course that combines work and learning. The experience provides an opportunity to learn and test cutting-edge career management principles while honing the skills needed to succeed in the rapidly changing communication fields.
