

## Oakton College – DePaul University, Driehaus College of Business Economics APPENDIX B

---

### *Associate in Arts to the Bachelor of Science in Business with a Major in Economics*

This program plan agreement is entered into by Oakton College (OC) faculty and DePaul's Driehaus College of Business faculty for the purpose of providing guaranteed admission for select OC students. Specifically, OC students who successfully complete the Associate in Arts are guaranteed admission into DePaul University, College of Business Economics degree program, provided that all current admissions standards, policies, and procedures of DePaul are met at the time of admission. C) faculty and DePaul's Driehaus College of Business

OC and DePaul University business faculty agree to the following:

OC and DePaul University faculty will collaborate and coordinate on course and program content to facilitate transfer and eliminate course duplication, in accordance with program and degree requirements of their respective schools.

OC program faculty agree to assist and advise all OC students enrolled in the Associate in Arts who desire to continue their studies toward the achievement of the Bachelor of Science in Business with a Major in Economics, at DePaul University's Driehaus College of Business.

DePaul University faculty agree to accept all course credit completed at OC in accordance with the mutually agreed upon program plan recommendations below. Up to 66 semester/99 quarter hours of OC credit will be applied to the DePaul degree.

OC and DePaul faculty agree to periodically, minimally one time per year, review the course recommendations and to update and maintain them in keeping with current curricular requirements.

The faculty will inform the other college's program when changes to course, program, and/or degree requirements are made.

OC students must join DePaul's Admission Partnership Program (DAPP) to participate in this program to receive the benefits of this agreement. Through DAPP, students will be counseled and advised by both schools as to the courses to complete which will fulfill both associate degree and bachelor degree requirements. The program plan must be followed for students to receive maximum transfer credit towards the bachelor degree. The recommended courses provide the academic preparation and prerequisite requirements for the DePaul's Bachelor of Science in Business degree with a major in Economics.

In order to retain current and dynamic curriculum course content, required courses and degree requirements are subject to frequent changes. DAPP provides the means to keep the students with the most up to date information about program requirements at both OC and DePaul University. Students who do not join DAPP will still be able to transfer to DePaul's B.S.B. in Economics as regular DePaul transfer students. Students not participating in DAPP will be subject to changes in program requirements that take place at any point in their enrollment at OC.

## Oakton College – DePaul University, Driehaus College of Business Economics APPENDIX B

OC – DePaul University

Associate in Arts (AA) to Bachelor of Science in Business (BSB) with a Major in Economics

This is an **EXAMPLE** course sequence for students interested in pursuing a degree from DePaul’s Driehaus College of Business. It does not represent a contract, nor does it guarantee course availability. If this program plan is followed, students will earn an Associate in Arts degree. Transfer courses and their equivalencies, and program requirements change as courses and programs are updated frequently. For the most current information, visit DePaul University’s Transfer Center at: [www.DePaul.edu/TransferCenter](http://www.DePaul.edu/TransferCenter)

**Students must join DePaul’s Admission Partnership Program (DAPP) to receive full benefits of this program plan. Make informed course choices in consultation with OC Advisor and DePaul University Transfer Counselor.**

#### DePaul Years

- DePaul College of Business recommends a new transfer student comes to the earliest DePaul orientation and initial advising appointment possible the term before transferring.
- For all majors: There can be movement of courses to different terms *as long as prerequisites are met*.
- DePaul College of Business recommends a new student make academic advising appointments early in their first quarter at DePaul and at least 2 times per year.
