

Harper College – DePaul University, DePaul University, Driehaus College of  
Business Economics  
APPENDIX B

---

*Associate in Arts to the Bachelor of Science in Business with a major in Economics*

This program plan agreement is entered into by Harper College faculty and DePaul's Driehaus College of Business faculty for the purpose of providing guaranteed admission for select Harper College students. Specifically, Harper College students who successfully complete the Associate in Arts are guaranteed admission into DePaul University, College of Business Economics degree program, provided that all current admissions standards, policies, and procedures of DePaul are met at the time of admission.

Harper College and DePaul University faculty agree to the following:

Harper College and DePaul University faculty will collaborate and coordinate on course and program content to facilitate transfer and eliminate course duplication, in accordance with program and degree requirements of their respective schools.

Harper College faculty agree to assist and advise all Harper College students enrolled in the Associate in Arts who desire to continue their studies toward the achievement of the Bachelor of Science in Economics at DePaul University's Driehaus College of Business.

DePaul University faculty agree to accept all course credit completed at Harper College in accordance with the mutually agreed upon program plan recommendations below. Up to 66 semester/99 quarter hours of Harper College credit will be applied to the DePaul degree.

Harper College and DePaul University faculty agree to periodically, minimally one time per year, review the course recommendations and to update and maintain them in keeping with current curricular requirements.

The faculty will inform the other college's program when changes to course, program, and/or degree requirements are made.

Harper College students must join DePaul's Admission Partnership Program (DAPP) to participate in this program to receive the benefits of this agreement. Through DAPP, students will be counseled and advised by both schools as to the courses to complete which will fulfill both associate degree and bachelor degree requirements. The program plan must be followed for students to receive maximum transfer credit towards the bachelor degree. The recommended courses provide the academic preparation and prerequisite requirements for the DePaul's Bachelor of Science in Business degree with a major in Economics.

In order to retain current and dynamic curriculum course content, required courses and degree requirements are subject to frequent changes. DAPP provides the means to keep the students with the most up to date information about program requirements at both Harper College and DePaul University. Students who do not join DAPP will still be able to transfer to DePaul's B.S.B. in Economics as regular DePaul transfer students. Students not participating in DAPP will be subject to changes in program requirements that take place at any point in their enrollment at Harper College.
