PURPOSES
The purpose of the School of Music is to develop each student’s potential to its highest level. Recognizing that students have unique combinations of abilities, needs, and goals, the School of Music provides a series of structured and independent learning situations which will fulfill both common and individual objectives.

As a division of the university concerned with professional preparation, emphasis is placed on specific career requirements in music. A variety of courses chosen from the College of Liberal Arts and Sciences generates the liberalizing influence of a university experience. The integral place of music in a liberal education is affirmed by participation of music faculty in courses for non-music majors.

Located at Fullerton Avenue and Halsted Street on the Lincoln Park Campus, the School of Music and its student body are deeply involved in the cultural life of Chicago. Orchestra Hall, the Art Institute of Chicago, and the Lyric Opera are less than 15 minutes away by rapid-transit. DePaul’s location in an active cultural center enables the School of Music to draw its faculty from professionals in the Chicago musical scene, including more than twenty members of the Chicago Symphony and Chicago Lyric Opera Orchestras. Qualified students may perform with the Civic Orchestra and the Lyric Opera chorus. Many other performing and teaching opportunities are also available in the metropolitan area.

FACILITIES
The School of Music is housed in attractive facilities on DePaul’s Lincoln Park campus. The Music Building is a three-story facility built in 1968 and contains teaching studios, ensemble rehearsal rooms, classrooms, a recording studio, faculty offices and a 140-seat lecture-recital hall which provides a forum for master classes, faculty and student recitals, and guest appearances. Modular practice facilities are located in the adjacent McGaw Building.

The Concert Hall has a seating capacity of 400 and serves as the performance home of the DePaul Symphony Orchestra, the Wind Ensemble, Wind Symphony, and University Chorus as well as many Lincoln Park cultural events.

Students commuting to the School of Music have convenient access via the CTA’s Howard Street-Englewood elevated train, the Ravenswood elevated, Lake Shore Drive, and the Edens and Kennedy Expressways. On-campus residence halls are available for resident students.

ADMISSION
Admission as a degree seeking student in the School of Music is contingent upon a superior high school record and successful completion of a performance audition. As a rule, entering freshmen are expected to audition before March 15th for admission the following September. Transfer students should complete their entrance audition at least six weeks prior to enrollment. Transfer students are required to validate credits earned in musicianship studies (theory, music history and literature, aural skills, and keyboard) through a placement examination prior to initial registration.

All students are encouraged to audition as early as possible to allow sufficient time for housing, scholarship, and financial aid applications. For audition requirements and a list of scheduled audition dates, contact the Coordinator of Admission, DePaul University School of Music, 804 West Belden Avenue, Chicago, IL 60614, or call (773) 325-7444.

FINANCIAL AID
Students may apply for financial assistance based on family need through the Office of Financial Aid, DePaul University, 1 East Jackson, Chicago, IL 60604. Incoming freshmen may also compete for privately funded music performance awards at the time of audition. Since the number and amount of these music awards vary each year, contact the School of Music for further information.

CURRICULUM

Four-year programs are offered leading to the degrees of Bachelor of Arts in Music, Bachelor of Music (with majors in performance, composition, jazz studies, music/business, and music education), and Bachelor of Science in Music (with emphasis in sound recording technology). Programs leading to the Master of Music Degree are described in the Graduate Programs Bulletin.

The Bachelors of Arts in Music is a degree intended for students interested in incorporating the study of music into a broad course of humanistic study. The program emphasizes studies in the liberal arts and prepares students for a wide range of careers.

LIBERAL STUDIES REQUIREMENTS (BA IN MUSIC)

The student’s course of study in the Liberal Studies Program is part of the undergraduate program devoted exclusively to liberal education. The program seeks to balance and augment the student’s course of study in music. In addition to the 28 hours required in the liberal studies core, students pursuing a Bachelor of Arts in Music degree are required to complete 52 additional quarters hours distributed through six learning domains. The number of hours and distribution of courses are as follows:

**BACHELOR OF MUSIC**

Programs leading to the degree of Bachelor of Music include requirements in Liberal Studies, music, and the specialization. Once admitted to the School of Music, students declare an “intent to major” and enroll in liberal studies courses and music courses common to all majors during the freshman and sophomore year. Throughout the first two years, music students are encouraged to explore various specializations through introductory courses. At the end of the freshman or sophomore year, music students must “petition to major” for acceptance into an area of specialization. Once accepted, students pursue the required courses which lead to a Bachelor of Music degree in one of five areas of study: Music Performance, Music Education, Music Composition, Music Business, and Jazz Studies.

**LIBERAL STUDIES REQUIREMENTS (B.M.)**

The student’s course of study in the Liberal Studies Program is part of the undergraduate program devoted exclusively to liberal education. The program seeks to balance and augment the student’s course of study in music. Students pursuing a Bachelor of Music degree are required to complete 52 quarters hours distributed among the Liberal Studies Core and the six Liberal Studies Learning Domains (Arts and Literature, Philosophical Inquiry, Religious Dimensions, Self, Society and Modern World, Scientific Inquiry, Understanding the Past).

**Liberal Studies Core:** 20 quarter hours required (4 Discover Chicago or Explore Chicago, 8 Composition and Rhetoric, 4 Mathematical and Technological Literacy [See section below regarding requirement], 4 Sophomore Seminar on Multiculturalism in the United States)

- **Arts and Literature:** 8 quarter hours required in two different departments (** for music students, courses in music cannot be used to fulfill Arts and Literature requirements).

- **Philosophical Inquiry:** 4 quarter hours required.

- **Religious Dimensions:** 4 quarter hours required.

- **Self, Society, and Modern World:** 4 quarter hours required
• **Scientific Inquiry**: 4 quarter hours required (4 scientific inquiry lab or scientific inquiry quantitative).

• **Understanding the Past**: 8 quarter hours required, two courses must be from two different categories: 1) Asia, 2) Latin America, 3) Africa, 4) North America 5) Europe, or 6) intercontinental or comparative.

**Mathematical and Technological Literacy**
All Music students must complete the placement exam for Mathematical and Technological Literacy. Students must complete the one course into which they place. Students placing out of both sections will complete an additional domain elective.

**MODERN LANGUAGE OPTION (B.M.)**
Students who wish to study a modern language may enroll in a three-course sequence (12 quarter hours). One quarter of language study (4 quarter hours) may be used to replace a course in Arts and Literature, Philosophical Inquiry, or Religious Dimensions. The remaining two quarters of language (8 quarter hours) will be applied towards free electives.

**MUSIC REQUIREMENTS (B.M)**
All students in the Bachelors of Music program are required to enroll in the following music courses, regardless of the specialization:

• Musicianship Sequence: 36 quarters hours

• Musical Traditions of America and the World: 2 quarters hours

• Conducting: 4 quarter hours

• Applied Music: 24 quarters hours (** Students may enroll in a maximum of 4 quarter hours of applied study per quarter. Up to half of the hours may be applied jazz study.**)

• Ensemble: Ensemble participation varies according to specialization. See below for requirements by major. The following ensembles are considered “Large Ensembles”: Wind Symphony, Wind Ensemble, University Singers, Concert Choir, Women’s Choir, Symphony Orchestra, or Chamber Orchestra.

**MUSIC AND FREE ELECTIVES (B.M.)**
The quantity of elective hours for the Bachelor of Music degree, vary by specialization. Electives are chosen by the students, in consultation with a faculty advisor.

**REQUIREMENTS IN THE SPECIALIZATION (B.M.)**
Students are admitted to a specialization (music performance, music education, music composition, music business, or jazz studies) on the basis of a petition process. This “petition to major” must occur by the end of the sophomore year. Once accepted into the specialization, students enroll in requirements and electives as follows:
