About

The Theatre School is the Midwest oldest theatre conservatory. Founded as the Goodman School of Drama in 1925, the school carries on a 78-year history as a leading drama school in the United States. The conservatory format provides for an intensive, highly disciplined training program. The central core of the program is an extensive production-oriented approach. The School produces more than 150 public performances each season for an audience of more than 50,000 people, featuring students in every aspect of the production. Programs of study are offered in acting, scene design, costume design, lighting design, theatre technology, costume technology, production management, playwriting, dramaturgy/criticism, theatre management, and general theatre studies. Graduate programs are offered in acting and directing. The objectives of the professional curricula are to prepare the student for creative participation in any form of theatre requiring a high level of technical competence, to provide the student with the aesthetic and cultural background requisite to an understanding of his/her art and of the world in which he/she works, and to develop the specific skills and disciplines necessary for competence in the students area of specialization.

Each Theatre School course builds and expands upon its predecessor. When the program is complete, the student will have been exposed to the necessary artistic tools and shown their proper usage in order to realize his or her goals. In addition, liberal education requirements are incorporated into all of the schools programs so that the student may practice his/her craft with an awareness of history, literature, philosophy, and current and past cultural and social events.

Advanced students in the Theatre Studies and Design and Technical programs enhance their training experience by completing internships at local and national organizations. Internships have been conducted at the Brooklyn Academy of Music, Metropolitan Opera, Seattle Opera, Goodman Theatre, Guthrie Theatre, Arena Stage, Playwrights Horizons, the David Letterman Show, Chicago Shakespeare Theater, Disney Theatricals, Alabama Shakespeare Festival, Fox Theatricals, Oregon Shakespeare Festival, Berkshire Theatre Festival, The Second City, and Steppenwolf Theatre Company, among numerous others.

Further information about The Theatre School is available via the Internet at the school's web site, located at http://theatreschool.depaul.edu.
Facilities

The Theatre School buildings are located at 2130 and 2135 North Kenmore Avenue on DePaul's Lincoln Park Campus. In addition to housing most Theatre School classes, the buildings provide rehearsal rooms, design studios, shop facilities, script library, sound design studio, CAD lab, computer lab, and faculty and staff offices. The buildings are minutes from downtown Chicago by elevated train, bus or car.

DePaul's historic Merle Reskin Theatre, built in 1910 and formerly called the Blackstone Theatre, was purchased from the Shubert Organization in 1988 and renamed for a major donor in 1992. It provides The Theatre School with a professional-standard, state-of-the-art theatre facility to match the professional standards of the school's training and productions. The public productions of The Theatre School Showcase and Chicago Play works are fully realized at the Merle Reskin Theatre. Students begin their training as part of the backstage and house crew, allowing them hands-on experience in all components of the theatre profession.

The theatre is also shared with several not-for-profit arts organizations in Chicago and an occasional feature film company, exposing Theatre School students to a broader view of the entertainment industry. The DePaul Merle Reskin Theatre is located in the South Loop in the heart of the city.

For the past several seasons the school has been producing the new director's series and several workshop productions in off-Loop theatres such as the Victory Gardens Studio Theatre and the Athenaeum Studio Four so as to connect the work and the students more directly to the theatres themselves and their audience base.

The Theatre School is situated in the center of Chicago's world renowned theatre community. Neighboring theatre and performing arts companies include the Steppenwolf Theatre, Victory Gardens Theater, Royal George Theatre, Apollo Theatre Center, and the Theatre Building. The Merle Reskin Theatre is located within the city's exploding Loop theatre scene, which includes the historic and fully restored Chicago, Oriental (Ford Center for the Performing Arts), Shubert, Cadillac Palace, and Auditorium Theatres as well as some of the city's leading regional theatres such as the new Goodman Theatre and Chicago Shakespeare Theater. The school's location and tradition make possible contact with innovative professional theatres, a resource unparalleled between the two coasts. The vastly increasing film and television industries in Chicago offer further training possibilities.
Faculty and Staff

In keeping with the school’s concept of the dual importance of theory and practice and of producing a superior quality of instruction, The Theatre School’s faculty and staff are highly qualified, both professionally and academically. The faculty is regularly, supplemented by accomplished working professionals. In addition, visiting artists and professionals appear in our guest speaker series, CHICAGO LIVE: THE ARTS. Among them have been playwright David Mamet; actresses Celeste Holm, Florence Henderson, and Julie Harris; actors Rip Torn, Charles Durning, Ray Liotta, Jonathan Pryce, Brian Dennehy, and Laurence Fishburne; Chicago’s nationally known Steppenwolf Ensemble including John Malkovich, Jeff Perry, and Gary Sinise; the late comedian Avery Schrieber; director JoAnne Akalaitis, Anne Bogart, Frank Galati, and Paul Sills; and alumni Gillian Anderson, Joe Mantegna, John C. Reilly, and Kevin Anderson, among scores of others. In addition, master classes have recently been conducted by Oscar-winners Faye Dunaway and F. Murray Abraham.

Admission

Candidates interested in admission to any of the undergraduate or graduate programs of The Theatre School should direct all inquiries to Jason Beck, Director of Admissions, The Theatre School, DePaul University, 2135 N. Kenmore Avenue, Chicago, Illinois, 60614-4111. Telephone: (773) 325-7999 or 1-800-4DEPAUL (Extension 7999) from outside Illinois. The e-mail address is: jbeck1@depaul.edu. The office will provide each candidate with the required forms and instructions for filing the application. The application packet also will provide detailed information concerning curriculum, tuition and fees, financial aid, housing, University regulations, and other pertinent information.

An admission application to DePaul University, three letters of recommendation, transcripts, ACT or SAT scores, and a 2” x 2” photograph or head shot should be sent directly to The Theatre School. After all of these materials are received by The Theatre School’s Director of Admissions, an audition (for students who wish to pursue acting) or an interview (for students who wish to pursue any other major) is arranged. The technical and design interview includes a portfolio review. The theatre studies interview includes a review of writing samples. The admission decision consists of an evaluation of the candidates academic credentials by The Theatre Schools Director of Admissions and an evaluation of the candidates audition or interview by selected faculty of the School. Applicants are notified of their admission decision by letter.

In all disciplines, The Theatre School looks for quality and is highly selective. A transfer student, regardless of hours accumulated, is placed in The Theatre School program by the faculty based on the audition/interview. Placement is usually in the first year of the program. Students are admitted to the professional programs of The Theatre School only at the beginning of the Autumn quarter each September. Except in unusual circumstances, only full-time matriculating students carrying a minimum of twelve quarter hours of credit are accepted. Enrollment in each area of concentration is limited. Students, in all programs of the school are evaluated annually by the faculty. The evaluation, a professional, and confidential process, is based on three key elements: growth in the program, professional discipline, and professional potential. Students in the first two years of their discipline continue the program of study in the following year by invitation of the faculty as conveyed by the dean. The school's policies about admission, retention, evaluations of students, invitations to return, and related matters are defined in the Student Handbook (available through The Theatre School web site at http://thetheatreschool.depaul.edu).
Curriculum

Throughout the more than seventy years of its existence, the basic concept of The Theatre School has been intensive classroom instruction integrated with extensive production experience. All students enrolled in the Theatre School have continuing opportunities for practical theatre experience through the school’s intensive production program. Students also participate in the Workshop and Introduction to Performance presentations mounted for student and faculty viewing. Advanced technical and design students fulfill technical and design assignments in all aspects of the production season. Incoming students rotate through crew work on productions. Theatre Studies and Design/Tech students further their practical experience through internships and independent projects. These assignments are designed to expose them to the many components of a stage production.
Theatre Studies Minor

Theatre studies Minor

Twenty-four hours of Theatre Studies courses to be distributed with the help of a Theatre School advisor.
The Theatre School offers two distinct programs of study: a 3-year certificate program, and a 4-year degree program. The 4-year program is offered in conjunction with the College of Liberal Arts and Sciences and culminates in a Bachelor of Fine Arts Degree. The certificate program is offered for those students who seek, principally but not exclusively, professional preparation in the theatre arts but not the broader liberal arts preparation of the degree program. Certificates are offered only in the acting program. The degree programs are offered for those students who seek to ground their professional preparation in a knowledge of the diverse areas of study represented by history, the behavioral and social sciences, philosophy, religion, the natural sciences, and mathematics.

The students course of study in the Liberal Studies Program is part of the undergraduate program devoted exclusively to liberal education. The program seeks to balance and augment the students course of study in Theatre. In addition to the 20 quarter hours required in the Common Core, Theatre students are required to complete 32 hours in the Learning Domains (Arts and Literature, Philosophical Inquiry, Religious Dimensions, Scientific Inquiry, Self, Society and Modern World, and Understanding the Past). Particular requirements are as follows:

**COMMON CORE**: 20 quarter hours required

- **First Year Program**:
  - 4 quarter hours in Discover Chicago or Explore Chicago
  - 8 quarter hours in Composition and Rhetoric
  - 4 quarter hours in Mathematical and Technological Literacy (Note: see section below on this requirement)

- **Sophomore Year**:
  - 4 quarter hours in Seminar on Multiculturalism in the United States

**LEARNING DOMAINS**: 32 quarter hours required

- **Arts and Literature**: 12 quarter hours required. (History of Dramatic Literature 204, 205 and 206 are eligible to fulfill the requirement in this learning domain.)

- **Philosophical Inquiry**: 4 quarter hours required.

- **Religious Dimensions**: 4 quarter hours required.

- **Scientific Inquiry**: 4 quarter hours required in an approved SI lab or quantitative course.

- **Self, Society and the Modern World**: 0 quarter hours required. However, student may choose a course from this domain to satisfy the general Liberal Studies elective requirement described below.

- **Understanding the Past**: 4 quarter hours required.

- **General Liberal Studies Elective**: 4 quarter hours chosen from any learning domain.

**Mathematical and Technological Literacy**

All Theatre students must complete the placement exam for Mathematical and Technological Literacy. Students must complete the one course into which they place. Students placing out of both sections will complete another domain elective (beyond the general Liberal Studies elective).
